Re: Curry v. State of New Mexico MATTHEW J. DYKMAN

Case # 2:17-cv-01079 (iam)

RB/GTF

CLERK

Subject: URGENT PETITION, DEMAND, WRIT OF HABEAS
CORPUS FOR IMMEDIATE RELEASE OF POLITICAL PRISONER
PURSUANT TO THE STATE JUDICIARY'S WILLFULL ABROGATIONS: VIOLATION
Against the Petitioner's Life & Properties;

① Failure of State, or the private foreign judiciary
representing the varied interests of the state, to
produce any lawful or genuine Nation & Cause
of Action supporting their false detention,
abduction, and wrongful incarceration of the
Prisoner for the past 45 DAYS since 9/22/2017.

② Failure of the state & the private foreign judiciary
to state a claim upon which any court could
grant a remedy for, as the STATE JUDICIARY
lack the capacity to be injured or to have their
rights deprived or subverted. [FRCP Rule 12(b)]

③ Failure of State or the private foreign judiciary to provide minimal Due Process of Law to Petitioners protecting & safeguarding the Petitioner's life & properties against acts of oppression & tyranny by the State & private judiciary, [See IV, V, VI, VII Remonstrances]

④ Failure of State or the private foreign judiciary to protect & safeguard a Registered Grand Victim, Witness, and Informant, pursuant 18 USC 3771;

⑤ Failure of State and/or the private foreign judiciary to produce to the record their legislative authority to presume either subject matter jurisdiction, or any judicial discretion to hear, see, review, adjudicate, rule, order, or to decide the private matters of the living bona fident bona, but abuse the authority & power to incarcerate or imprison a living embodiment of the Christ & the Spirit of God! [See Scott v. McNeal (1894); Public Law 86-772; 18 USC 1512, *480 & 481].

⑥ Failure of State and the private foreign judiciary to be in full compliance with the Roman Canon's Rules of Law, the State & US Constitutions, the Administrative Procedures Act, Fed. #12 (1948), the ABA's Professional Rules of Ethics; Rules of Corpus Juris Secundum; the US Codes of Law; the Lieber Code of 1863; POTUS Executive Orders 100 & 10834; the BAR Treaty of 1948; The Hague Conventions; the Sherman-

the living. Every man is to be released immediately, and all is that further denial, delay, injury, or obstruction, and no hearing is necessary or required to make this release operative. (Rudina V. Purple (1963))

- ⑦ The Failure of the State & private foreign judiciary to recognize the Petitioner's free & common right to his self defense, enjoy & express his natural, unalienable & constitutional rights with impunity, and all without the State or Judiciary imposing sanctions, penalties, & punishments for expressing & exercising same;
- ⑧ The Failure of the State and/or private foreign judiciary to Declare a State of Martial Law which would suspend the Petitioner's Writ of Habeas Corpus;
- ⑨ The Failure of the State in prohibiting the private foreign judiciary from commencing actions against the Petitioner in courts of Law or Equity, as prohibited by the VI Amendment of the US Constitution [See "Acts of Barratry"]
- ⑩ Failure of State to demand Mr. Counts to fully disclose his personal financial interests & holdings in the Core County Detention Center as Required under 28 USC 455, which was promulgated to mitigate financial & political conflicts of Interest, [See Also ABA's Rules of Professional Ethics, Rule 4]
- ⑪ Failure of State & Judicial Officers to perform their duties within their legislated & delegated authority & jurisdiction as required in the State & US Constitutions, [See Jurisdiction: Black's Law Dictionary, 8th Edition].

(12) Failure of State & Judicial Officers to process a Serviceable Valid, Writ-validated & stamped Arrest Warrant from the State of Colorado in stark contradiction & violation of the IV Amendment prohibitions, and the Judiciary Act of 1908, which does not permit the issuance of an arrest warrant in any Judicial District for Service in another Judicial District;

(13) Failure of State to admonish, sanction, and penalize DA David T. Hunter from holding a Public Supervisor Office & Government office in stark violation of New Mexico Voting/ELECTION LAWS, SEPARATION OF POWERS ACT, "TITLE OF Eligibility Act," and the "Organic" Original XII Amendment;

(14) Failure of private foreign judicial officers from disclosing their monopoly over state services & operations to the People of New Mexico, and their failure to render honest services as per their contracts with the State & with the People;

(15) Failure of the State & private foreign judiciary to govern themselves as Public Trustees & Fiduciaries, rather than as Creditors; ~~Revolutions~~ which they are NOT!

(16) Failure of State & the private foreign judiciary to deploy their Revenue Officers & Cash Enforcers into the field without proper O's, Oaths, Bonds, & o.g. # 1 of 6

The State, in the private transfer of any authority it was not granted by the Federal Government. This prohibition includes any presumption of subject matter jurisdiction over the thing want, or any illusion of having judicial discretion to practice law or medicine from the bench!

certificates of liability, genuine & verifiable

IV Ammendments Search & Seizure Warrants

Video Body Cam & Dash Cam to insure they are within Const. & Internal parameters.

(17) Failure of the State & private foreign Judiciary officers to insure the honor, character, and integrity of the Grand Jury, and that the jurors are Not influenced, prejudiced, or biased before reviewing the case, and before reaching any sort of Verdict that could be collaterally attacked or supported by the Petitioner.

18) Failure of State in preventing pro-senator DA Roderick B. Esquivel, Esq. from fainting & poisoning the Grand Jury by submitting a full page of criminal allegations, or "Parables" caused by the Politicians. These fabrications were produced from the CDC Mental Health team, in spite of Illinois Laws, and the Politician was declared a principal in the rape & death of a 2-yr. child, child prostitution, Drug, Murder, Firearms violations, and a host of other civil wrongdoings — all to influence the jurors to produce a "True Bill of Indictment" against the Politician; aka "Charlie Manson," or "Jeffrey Dahmer."

(19) Failure of the State, then, of holding judicial officer / agent accountable for Jury Tampering, Witness Tampering & Evidence Tampering & Suppression of Exculpatory Evidence that would

have examined & acquitted the Politician
of all wrongdoing: Pursuant to Rule 35(a).

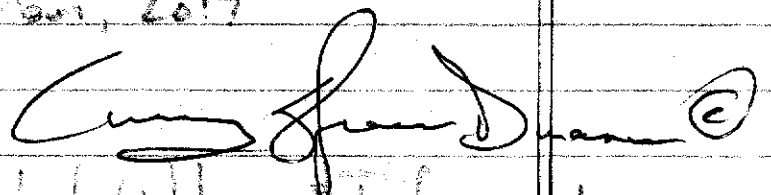

20) Failure of the state to hold to account
Mr. Counts for his practicing Medicine from
the Bench without a State Issued Medical
License when he signed a Commitment order
for a Mental Exam of the Politician upon
the Politician challenging Counts to exercise
his legislative authority to prosecute subject
matter jurisdiction & judicial discretion to
hear, see, review, adjudicate, as the average
Living Politician — who is equally entitled
to litigate his case Pro Se within a Court
of Competent Jurisdiction as ordered in
Article III of the US Constitution.

21) It is the Failure of the state, then,
to properly & lawfully vet & qualify Mr. Counts
competency, no differently than the Politician
ordains Counts to be competent as well.

"WHAT'S GOOD FOR THE GOOSE, IS ALSO GOOD
FOR THE GANDER!" — OR SO WE ARE TOLD!"

The Above Statements are true, genuine,
and accurate in every way.

It is So, and so it shall be, on this
the 7th Day of November, 2017
